

## PanzerGlass™ December Competition – Terms and Conditions

The competition runs on the PanzerGlass™ Facebook page from December 3 until December 29.

A total of four competitions will run throughout December 2017. To participate in one of the competitions, you must complete the corresponding mini game and register your name, contact details and country of origin.

Please read these competition terms and conditions carefully. Everybody, regardless of nationality, who has turned 18 can participate in the competition – with the exception of PanzerGlass™ employees and members of their immediate families. No purchase is necessary to enter or win, and a purchase does not increase the chances of winning.

If we do not hear back from the winner within seven days after having contacted the winner directly via the e-mail used for registration, the prize will be considered forfeited.

The prizes have a total value of maximum 3.290,00 €, and cannot be exchanged for other products, vouchers or cash. The prizes are personal and cannot be transferred to another person by the winner.
